DEPT OF STATE WASH DC.....

SCAP G-2 has informed USPOLAD as follows: Anti-communist resistance cells are known to be active in Honan and Anhwei Provinces reportedly organized by Taiwan Nationalist officials. No information available regarding LIU Lin-chuan but believe man in question was LIU Lin-chung repeat LIU Lin-chung who was former puppet general commissioned by Nationalists after Sino-Japanese war. (See Hong Kong's 1174 May 25 to Dept repeated Tokyo unnn.) Latter was taken prisoner by Communists in 1947 and would be likely person for [illegible] Communist plot to uncover resistance leaders. Dept repeat Hong Kong.
